The management of the Ast or property, so far as they leave it to others, is directed by Genèral E. H. Bilpley, whose enong figure and been, bright face, frieged by gray whisters, is well known to the Astor tensus and a large number of, other New Yorkers. It is General E pley's business to eversee the deawing of leaves, the collections of reak for sale to the Astors, and the dealings with refractory or deliquent tensus. His labors are burdensomed, interportant, and full of responsibilities, and he gets a salery of \$35,000 a year for it. The Astors have been been by persons with whom they deal in any way. Only in large transactions will they demean to see principals. In all minor matters General Riplay is as fully empowered as if he was an Aston. The wains of the trining millions, is in great states. The management of the Artor property, so with the exception of a few trilling mil-logs, is in real estate.

CENTRAL CLUB COURSE.

The lecture last exening at the Central church was by Prot. Chapman, of Bowdoin, upon "Chaucer" and in introducing the lecturer Dr. Field paid a well deserved the funeral of the late Mrs. E. L. Wal tribute to him as an eloquent speaker and an original thinker.

At the beginning of his remarks Prof.

Chapman discisioned any intention of saving anything new of one who has been for mired by all English speaking people, butlic is well for us, now and then to recall the works of those who have benefited and delighted their own as well as succeeding AFEE.

first great English poet-Caedmon, the "Saxon Milton," as he has been called, having lived and written, centuries before, get be was the leader of a new era in Ehgtween the old Saxon bards and the poets of

church and State when the long oppressed and down trodden masses were clamour-ing loudly for their rights as men and Englishmen, and the voice of Chaucer was a voice for freedom. Not a barsh or Marc 1 let, by T. Lyford & Co., sole agents that, with the classes that his words [These bats were awarded the first prize at reached, was probably more potent than the Paris, exhibition and are deservedly the fiercest arguments and visuperation popular. could bave been.

loving pictures of English country life; and the speaker read, with much grace and correctness, in the original text, the opening prologue to the "Canterbury Tales;"

committed to the care stid control of the Stays.

Coming down to the practical provisions of the bill, Mr. Faulking: pointed out the inconsistency of first distributing the fund to the States on the basis of illicatory and then distributing the fund within the States between the two, range on the basis of the school population of each; so while on the basis of illicatory the voloted schools at the South ought to requive thirts-six millions and the white schools thirteen millions, those figures, on the other basis, would be reverted and the white schools receive stateen millions more than the colored exhools.

reach the white chitaren and couper panderen alike.

Mr. Eanliner replied that the bill bad been justified on the ground of its relieving illucracy in the States? When the fund got into the States a third more would be given to the white than the colored children (on the basis of school population.) while the liliteracy of the colored children was forty per cent. greater than the white children. That couradicted the principle of the bill.

log it.
Mr. Plott said his should insist that after to-day the alterational bill when taken up ,

tor rous Florida (Mr. Cail) in the debate test Theursday had sutered words personally offensive to him (which he had not them heard) and had followed up the breach of order, by changing and adding to the offensil report of his remarks a paragraph still more offensive. He (Mr. Chandler) deemed it his duty before replying to the assault made upon tim to bring the Sonstor's conduct before the Senate for such settled as higher bedeered jone and suitable for such transgression.

post R. S. SAVAGE REMONITATED STATES AND STA

this boundless sea of unrestricted and unlimited legislation. He took the negative of these three propositions and argued to support of this jiev of the question. He argued that the establishment of the common school system was encessarily committed to the care sho control of the States.

Coming down to the practical provisions of the bull, Mr. Faulkner pointed out the inconsistency of first distributing the fund to the States of the bull, Mr. Faulkner pointed out the inconsistency of first distributing the fund to the States on the basis of illicracy and then distributing the fund within the fact of the school population of each is while on the basis of illicracy the colored schools at the South curch the research.

The House adjourted a six o'clock in the midst of the typour.

Balloting.

be was invaluable."

"But Mr. Hayne was east on later; I know he was. He was premeted to my company but meditis—confound the block—and was to have six months large before joining. I wish it was six years. Where is he now?" And the expission peered excitedly around from under his

Where is he now? And the capitaln peered excitedly around from under his shaggy cap. Oddly, too, his face was paling.

"He left as soon as I took change. I don't more where he's gone; but it's food's mercy he was with these peer fellows. His shill and care have deno everything for thom. Where did he get his knowledge?"

"I have no idea," said Capt. Rayner, graffly, and in evident ill humor. "He is the last man I appeared to see this day or for days to come. Is there any thing she I can do, decare?

"Nothing, thenk you, exputaln." And the lattle margon hasfuned heak to bis stanges, followed by some of the pulsage of chart displaced a moment. Rayner himself healisted a moment.

CHAPTER IL '

my room or the mation, and Mrs. I noted instantly that all the ober had gone and that a cloud had set

red to being him-empous unscentive. Some rested har famed on his wine and lookest questioningly in his face. He specifics her glance and quickly began to talk. She saw that he decided to answer to questions just then, and whely richained. Meantime, likes Travaga was clisteling higher with two young gallarit; who Meantime, lifes Travers was clitting bitically with two young gallant; wite had returned to her note, and was had thrown of their heavy two and stood revealed in their becoming undless uniforms. Mr. Houshed gone to look over the reasts which the heat of the railway hotel had offered for the use of the patry; the kept was yielding to the invitable and gradually condecending to media the efforts of Mr. Fostir to marge and cusintence; the hitten, with deinty steps and ears and tall seved, was making a laisurety inspection of the presches, miding about the few henches and chairs with which the bare room was beriened, and recompilating the de wiending to the hallway with evident, cafer to extend her researches in that direction. Free-anity that very door opense, and in came

hallway with avident casirs to extend her researches in that direction. Presently that very door opense, and in cases two of three building of fan in matching thans, and with them two thanger door hounds, who carried straight at the kill-tem. Thire was a sudden farry and scatter, a fury of spits and scretching, a yels of pain from one true with incomed nose, a sudden resolute both hounds, and then a flery reali through the open doorway in pursuit of puss. After the first gallant instinct of battle her nerve had given out and she had scaple safety in flight.

galiant fastinct of battle her nerve had given out and the had scaght safety in flight.

Oh, don't les them have her? ested! Miss Trayers, as she darte. Into the hall and gazed desparingly up the rishway to the second cory, whither the dage had variabed life a flash. Two of the young officers fped to the rescue and turned the wrong way. Mrs. Raynet and the captain followed her into the hall. A rush of canine feet and an smotted chowise of berks and yelpe were heard shoft; then a steen voice ordering. "Down, you brutest? a wade an how, as inough in response to a vigorous kich, and an instant later, bearing she kitten, ruffled, testided and widly empired, bearing the hitten, ruffled, testided and widly empired, by makened, there came spring lightly down the steps the young man in civilian dress who was their fellow traveler on the Fullman. Without a word he gave his prise into the dainty hands outsiretohed to receive it, and nover stopping an instant, nover listening to the eagur words of thanks from her prestty lips, he darted back as quickly as he came, leaving like thanks from her prestty lips, he darted back as quickly as he came, leaving like thanks from her prestty lips, he darted back as quickly as he came, leaving like thanks from her prestty lips, he darted back and stopped back into the waiting room. Mr. Ross undered a brother lensing for Middle The laws substitute as the resour shot past their on his way back, and stood staring, first after his disappearing form, and then at each other. Mrs. They might in her sweet lies, cluing to her restore. Ritten and gazed vacantly up the shire.

Mrs. Bayner coked confusedly from one to the other, quickly noting the constraint in the manner of every offices.

out yes with his bestallon."

"Oh, yes, we saw them at a station, east of hese. They looked frozen to death; and there are ever so imany of the soldiers frozen. The begging car is full of them. Didn't you know have been here for three mortal hours waiting at the station, and any telegrams most have been pant right out to the furt. The colone is there, and be would have all arrangements made. Here, Greham Foster! Mrs. Rayper mys there are a one to the other, quickly noting the con-straint in the manner of every officer present and the sadden disappearance of her hashand. There was an odd ellence for a moment; then she spokes "Oftr. Rost, do you know that gentle-man" minite, as soon as we've got these ledden off the trien?"

Two of the young gentlemen who had been hovering around Mass Travers took themselves off withouts geoments delay. The others remained to help their san or officer. Out into the whiching eddied of snow, bunding them up 'in the big, warm caper of their regulation overcosts, the officers half led, half carried their prealous charges. The captain hope his son and heir: Lieut, Ross esserted Mrs. Rayner, two others develod themselves exclusively to Miss Travers a "I know who he is. Yes."
"Who is he, then?"

"I know who he is.
"Who is he, then?"
"He is your husband's new first lieutement, Mrs. Rayner. Thesis Mrs. Hayne."
"Inst!—Mrs. Rayner!" she exclaimed.
Browing suddenly pale.
"Curtainly, madam. Had you never him before?" seen him before?"
"Never and I expected—I didn't expect to see such a"— Anc. she broke
short off, confused and phinly distremed,
'turned abruptly, and left the nail as hed

sil the officers again bustled out into the storm and fought their way against the northwest gale until they reached the little crown gathered about the discrease of the freight sheds. A stout shoot, burly may it peaver overcost and cap pushed through the knot of half numbed spectators and approached their beaders. "We have only two ambulances, captain—that is all there was at the prit when the dispatch came—and there a e a dozen of these men, besides Dr. Grimes, all more or less crippled, and Grimes has both hands frozen. We must get them out at once. Can we take year wagon?"

or B sat and sleep in peace.

J. S. Wood, Searsport, Me. Only 50 cents per bottle.

DON'S FEEL WELL,
And yet you are not sick enough to consaft a doctor, by your retrain from so doing for lear you will alarm yourself, and
frauds—we will tell you just we you
need. It is Hood's berimparille, which
will list you out of that uncertain, uncomfortable, dangwons condition, into a state
of good health, conference and cheeringness. You're so that how potent this peculiar medicine is in casses he yours. b

all right. Mr. Murry had a narrow strain
bet forcunately escaped with a few scratchie tood a bad shaking. The finage sorapur
is homply they denotished; the stowplough is not injured. This is the
second accident of this lind which
happened at this surre within a few years.
The loss to the company is, comparatively
small.

Thomas D. Prokham of Randolph. an

Thomas D. Prokham of Bandolph, an firmate of the National Noldiers' Home, Togue, now out on a furiough hand living with his upplew, says he will be fluestyfive years old the 15th of next November. If so he is said to be the oldest veteran of the war now living in Maine. He was a salive of bouthport and sarred in Company G. Fourth Maine Ragins in Fret Maine Battery and Sinth Maine Battery. He was wonded at the first, battle of Bull Run, both bones of his left leg below the knee being shot off; also at Petistaburg in 1866, where his right shoulder was broken and his right foot pierced by a bullet. He has just good application for a pension, having never received one.

A report from South Gardiner one day lest week, may that parties in creating the river early in the morning discovered the tracks of two men leading to to is hole in the kee where they disappeared. Mo record tracks are visible and it is thought the men must have been swapt under the see and drewned. No club hat been secured as to who the parties were, hat an eximination will be made to a secretain if any of the crews on the fiver have lost men receitly. Thomas D. Prokham of Raudolph, an

The Bay View Ice Company based its shant at fronth Waldobero, on the Madomat river, to the Arctic Ice Company, Newport, El I. The trade includes the falling of the ice house by the seiling parties, resorts the Miss.

Charles Cock and Frank Lindsly were arriigned before Judge Hix in Rockland, last week, on the charge of itseling a pair of rubber boots such from the store of Ebbisson & Price during thefice of Thursday evening. They plead guilty and were bound cryst under \$300 books to appear at the March term of court.

Albion Kinony, of South Thomason, the

the March term of court.

A Dion Kings, of fouth Thomsson, the boy why was seeldentilly strack in the head with an air by a younger brother; recently, may thank his stars that he hear a betone for a moutow. The gash was an ugly one and the blood ap reted from an arthery with great violone. It was five boars before a doutor could be procured, and during all the time the boy's mother hald the lips of the gastly wound together, and checked the rush of blood. Had she shown has everage or fainted, the Erreld says the boy must have blee to death.
